

Appendix 1

Procedure for COVID-19 Symptoms and Exposure Self-Screening

Prior to volunteering, all volunteers shall complete the COVID-19 Symptoms and Exposure Self-Screening (“Self-Screening”). The Self-Screening consists of three questions about a volunteer’s COVID-19 status, COVID-19 Symptoms, and COVID-19 Exposure, which are based on recommendations from the CDC and the NMDOH with the goal of preventing infection in the workplace and minimizing the spread of COVID-19. Volunteers are not required to submit their answers to the Department of Cultural Affairs but are required to be accurate and truthful in their self-assessment.

A. Self-Screening Questions.

1. Have you tested positive for COVID-19 in the last 10 days?
2. Have you experienced any COVID-19 Symptoms in the past 48 hours?
3. Have you been Exposed to COVID-19 in the last 14 days?

B. Analysis of Self-Screening Results.

1. **Volunteers may not volunteer** if they answer yes to questions 1 or 2, i.e.:
 - o Yes, positive COVID-19 test in the last 10 days, or
 - o Yes, COVID-19 Symptoms in the last 48 hours.
2. **Volunteers may not volunteer** if they answer yes to question 3 and are not Fully Vaccinated, i.e.:
 - o Yes, COVID-19 Exposure in the last 14 days, and
 - o Not Fully Vaccinated.
3. **Volunteers may volunteer** if they answer ‘no’ to questions 1, 2, and 3, i.e.:
 - o No positive COVID-19 test in the last 10 days,
 - o No COVID-19 Symptoms in the past 48 hours, and
 - o No COVID-19 Exposure in the last 14 days.
4. **Volunteers may volunteer** if they answer no to question 2 and yes to question 3 and are Fully Vaccinated, i.e.:
 - o No COVID-19 Symptoms in the last 48 hours,
 - o Yes, COVID-19 Exposure in the last 14 days, and
 - o Yes, Fully Vaccinated.

If a volunteer completes the Self-Screening and determines they should not volunteer, they must follow the policy of the state or federal agency for which they monitor. If they test positive for COVID 19 they are encouraged to notify their contacts and should cooperate with New Mexico Department of Health.
